

PRIVACY STATEMENT

BLOKK.IO

This is the Privacy Statement of Incentro Nederland B.V. (hereinafter: 'Incentro'). This statement sets out how the personal data obtained by Incentro through the website of Blokk.io will be treated.

Collected Data

If you sign in for our newsletter and/or request us to contact you, you will be asked to provide your company name, name and (email-)address. You grant us permission to use these data for the following purposes:

- the provision – and if applicable invoicing – of our services;
- the sharing of information about products and services of ourselves;
- the provision of data to third parties on the basis of statutory obligations.

In addition, we will lay down information (*inter alia* the IP-address used) in view of the composition of user's statistics, and for the protection of our website.

Notification and Improvement of your Data

If you wish to know which data we have registered about you or if you wish to change your data, you can contact us through info@blokk.io.

Changes

This Privacy Statement can be changed. These changes will be published on this page.

Questions

If you have any questions about this Privacy Statement, you can contact us through info@blokk.io.
